Major Academic Activities

1. Orientation Programme

An orientation programme will be organized for newly admitted students to introduce them to the institution, courses, curriculum, rules, facilities, academic expectations and student support services.

2. Teaching-Learning Activities

Regular classroom teaching, interactive learning, tutorials, presentations, assignments, group discussions, ICT-enabled learning and practical activities will be conducted throughout the academic session.

3. Internal Assessment

Continuous assessment will be carried out through assignments, class tests, presentations, projects, practical activities, attendance and other appropriate academic components.

4. Practical Training & Internship

B.Ed. and D.El.Ed. students will participate in practical teaching activities, school exposure, teaching practice and internship-related activities as prescribed by the applicable curriculum and regulatory requirements.

5. Seminars & Workshops

The college will organize seminars, workshops, guest lectures, training programmes and skill-development activities to enhance students' academic and professional competencies.

6. ICT & Skill Development

Students will be encouraged to develop digital literacy, communication skills, presentation skills, critical thinking, creativity and other 21st-century competencies.

7. Co-Curricular & Extra-Curricular Activities

Cultural programmes, literary activities, sports, competitions, awareness programmes and other student-development activities will be organized periodically.

8. Community Engagement

Students will be encouraged to participate in social awareness programmes, community outreach, environmental activities, cleanliness drives and other extension activities.

9. Examination & Evaluation

University/Board examinations, practical examinations, internal assessments and other evaluations will be conducted according to the schedule notified by the concerned affiliating/regulatory authority.

10. Academic Review

At the end of the academic session, the institution will review academic performance, student progression, teaching-learning outcomes and institutional activities for continuous improvement.

Important Note

The dates mentioned above are indicative and may be modified according to the academic calendar/notifications issued by the concerned University, NCTE, AICTE or other competent authorities. Any changes will be notified separately by the College.
